Matters Arising

- 1 Stopcock – this had still to be brought to the attention of the Stand Committee.
- 2 Square Working Party – a work party had convened to apply the loam and fertiliser to the square. The effects of the previous evening's overindulgence appeared to have limited the numbers who attended. Those that did attend however proved enthusiastic and willing.

- 1 Much of the surplus machinery had been disposed of including the roller and the old 30" mower
- 2 Existing mower – Dai Edwards and Larry Evans had agreed to service the mower.
- 3 Weed killer to be applied to grounds in the Spring. It was suggested that Neyland Athletic club be asked to contribute towards some if not all of the costs involved.

2 R Bellerby had put studied the existing plan of the proposed new building and had prepared a number of alterations, which he proposed to put to the Architect. The majority of these proposals related to the siting of the various dressing

Presentation Evening

The presentation evening had proved to be a disappointing affair, the absence of most of the senior players and award winners producing a somewhat flat atmosphere. Some confusion appeared to exist with regard to who was organising the evening and who was publicising it and this breakdown in communication had contributed to the low numbers. It was agreed that next season the evening should revert to the last Saturday of the season and that the Athletic Club should be booked accordingly.

AOB

1 It was agreed that at the November meeting the AGM should be fixed for the second Thursday in December.

2 Wreath laying on Armistice Sunday (12.11.06) to be discussed at next meeting.

There was no any other business accordingly the meeting was declared closed after confirming the date of the next meeting for 9th November 2006.
