Present: J P Edwards

A Miller
M J Rees

Apologies: R Bellerby, M C Jones & P Miller

Minutes

The Minutes of the Committee meeting held on Thursday 13th September 2007 were read, confirmed and signed as a true record.

Matters Arising

1 The Club's Community Chest Application was due to be considered at the Community Chest Panel meeting on 4th October 2007.

Financial Report

Information relating to club finances will not be available online. Members with any queries relating to this section should contact the club treasurer directly. Please see the Management Committee section of this website.

Ground & Maintenance

- 1 Weed killer – although weed killer had been applied to the grounds it appeared to be having only a limited effect in that it appeared that some weeds were immune to the treatment. Discussion took place with regard to whether further application should take place in April 2008 – position to be reviewed.
- 2 Outdoor Nets – mat had still to be removed
- 3 Boundary Rope – this too needed to be removed as it was hampering the mowing of the field.

Correspondence

- 1 Correspondence had been received from the County Club inviting Club representatives to

attend the County Club's 60th Anniversary Annual dinner and Dance at the Cleddau Bridge Hotel on Friday 26th October 2007

2 Correspondence had been received from the Cricket Board of Wales in relation to Coach Education and in particular to two special skills workshops due to be held at Tenby Leisure Centre on Sunday 13th January 2008.

Athletic Club Development

At a recent meeting of the Development Sub-group it had been suggested that one means of resolving the Cricket Club's concerns at the location of the dressing room would be to move one of the proposed bars upstairs. This proposal was however not to the liking of the franchisees accordingly the topic appeared still open to debate.

Otherwise the optimistic note struck in the minutes of the September meeting to the effect that the purchase of the land necessary to allow the project to proceed in its envisaged form was close to completion appeared to have been misplaced in that there had been no further news in this regard since the September meeting.

Club Accreditation

This did appear to be progressing thanks to the good offices of Andrew & Paul Miller.

1 Evidence File to be completed and submitted by December

2 Paul Miller and Martyn Rees to liaise with regard to the required amendments to the Club constitution in anticipation of the AGM in December

3 Andrew Miller & Paul Miller to liaise with Robert Bellerby in relation to the Club's "wish list" for equipment/machinery although a roller appeared a priority.

Club Welfare Officer's Report

In the absence of Martin Jones no report was available.

AOB

1 Armistice Sunday Wreath Laying – it was agreed that Brian Phelan should be asked to represent the Club.

There being No Further Business the meeting was declared closed after confirming the date of the next meeting for Thursday 8th November 2007.
